EVANGELISTS

The Rayner family evangelists of Chicago, Ill., are here assisting in special revival meetings in the U. B. church. In many respects this is a remarkable family. The first word the children learned to lip was "Jesus". The mother is a good teacher and preacher. Master Paul and Miss Grace hold their audience with the charms of their vocal music. Little Mary, five years old, has read several books of the New Testament, her work is distributing tracts. El Joseph is a remarkable "boy preacher" of 17 years of age. He was converted to Christ at the age of 3 years and began to preach at the age of three and one-half years. He preaches the plain gospel in its simplicity, delighting his hearers with his plain gospel sermon.

All are splendid personal workers. Several have already accepted Christ as their personal savior. Everybody called elsewhere engaged in religious meetings, are invited to come.

J. H. WILLIAMS, Pastor.

LESS DYSPEPSIA NOW

HERE'S THE REASON

The fact that there is less dyspepsia and indigestion in this community than there used to be is largely due to the extensive use of Rexall's Dyspepsia Tablets. Hundreds of packages of which we have sold. No wonder we have faith in them. No wonder we are willing to offer them to you for trial entirely at our risk.

Among other things, they contain Pepsin and Bismuth, two of the greatest digestive aids known to medical science. They soothe the inflamed stomach, allay pain, check heartburn and distress, help to digest the food, and tend quickly to restore the stomach to its natural, comfortable, healthy state.

There is no red tape about our means. Just good sense.

We'll ask you no questions. Your word is enough for us. If Rexall's Dyspepsia Tablets don't restore your digestion easy and comfortable, we want you to come back for your money. They are sold only at the 7000 Riall Dispensary, 50c and 10c only by us. Three and 10c only by us. Three and 10c only by us. \$1.00—Read & Wager, Wauseon, O.

CANED BY HIS FRIENDS.
